

Warranty Policy and Procedure

LIMITED WARRANTY

Two Year 100% Parts and Labor

Precision Equipment Mfg will warrant to the original purchaser that the unit will be free from defects in original factory materials and workmanship under normal use and service for (2) two calendar years from date of delivery to the original purchaser (the "Warranty Period"). For purposes of the Warranty Period, the "date of delivery" shall be the shipment date from our facility at 4409 33rd St N, Fargo, ND 58102.

Precision Equipment Mfg will, at its election, repair or replace any parts which are found to be defective in materials or workmanship without charge for parts or labor. This is the sole remedy offered under this Limited Warranty.

The two-year Limited Warranty applies to parts and direct labor with the **exception** of:

- Tires- These parts and components are wear items and / or may be covered by warranties under the original manufacturer of the item.
- Rims- These parts and components are wear items and / or may be covered by warranties under the original manufacturer of the item.
- Vendor purchased (items not manufactured at Precision Equipment Mfg)- These parts and components may be covered by warranties under the original manufacturer of the item.

Exclusions to Limited Warranty:
